Scrutineer Notes & Re check comments:

Scrutineer Name: _____

I and my crew acknowledge that:

This inspection relates to a basic safety check carried out solely for the purpose of assisting the NZWSRA in the safe and orderly conduct of its events. It is not to be taken as a warranty of the safe condition of the boat at the time of inspection or at any other time. It is the owner's responsibility to ensure that the boat is maintained and operated to the required safety standards at all times while competing in the event.
